As the Orange County Sheriff since 2018, I have had the honor and privilege to work beside the great men and women of the Sheriff's Office as we serve the citizens of Orange County. With 1.5 million residents and 75 million visitors a year, our top commitment is for the safety of our citizens and visitors.

We hope that your time here is memorable and enjoyable and that you will return often to enjoy the beauties of our county.

LETTER FROM PRESIDENT

Sheriff Dennis M. Lemma

Dear Sheriffs, Correctional Facility Leaders, Staff, and Partners:

On behalf of the Florida Sheriffs Association, Executive Director Matt Dunagan, and our dedicated FSA staff, it is my pleasure to welcome you to the 2026 Florida Sheriffs Association Jail Summit.

This gathering reflects the strong commitment Florida's sheriffs have to the professional development of those who lead and serve in our correctional facilities. Our jails are among the most complex and demanding environments in public safety. The work performed by our detention professionals requires sound leadership, constant adaptation, and a deep understanding of the individuals entrusted to our custody. This summit provides an opportunity to share ideas, learn from one another, and strengthen the systems that support safe and effective operations across our state.

We are grateful to our host sheriff, Sheriff John Mina, and the Orange County Sheriff's Office for welcoming us and helping make this summit possible. Their partnership and hospitality allow us to bring together correctional leaders and staff from across Florida to engage in thoughtful discussion, practical training, and collaboration on the issues that matter most to our facilities and our personnel.

Over the course of this summit, you will hear from subject matter experts and fellow correctional professionals who understand the realities of detention operations. From inmate health and safety to staffing challenges, emerging trends in corrections, and the wellbeing of our workforce. These conversations are designed to provide practical insight that you can take back to your organization.

The Florida Sheriffs Association has always been strongest when we come together to share knowledge, support one another, and remain committed to the highest standards of professionalism. Your participation in this summit reflects that commitment and strengthens the collective mission we all share in serving the citizens of Florida. Thank you for your dedication to this important work, and I hope you find the summit both valuable and rewarding.

Sincerely,

Dennis M. Lemma
Sheriff

MESSAGE FROM FMJS CHAIR

A MESSAGE FROM YOUR FMJS CHAIR, SHERIFF ROBERT HARDWICK:

I have a passion for proper care, custody, and control that extends far beyond the benefit of the agency. I believe in second chances and want to see the individuals in our care succeed outside the confines of the jail. Your participation here at the 2026 Jail Summit highlights your desire to exceed minimum standards as well as develop relationships and practices that will keep your citizens and employees safe. I am grateful for your attendance at this year's Jail Summit and hope you return to your respective agencies with a renewed interest in supporting the individuals you serve. I encourage you to ask questions, challenge old habits and truly seek growth through these sessions.
