# LETTER FROM THE HOST SHERIFF

Florida Sheriffs,

Welcome to the Florida Sheriffs Association (FSA) 2026 Winter Conference. We are once again honored to host this important event here in St. Johns County. On behalf of the men and women of the St. Johns County Sheriff's Office, we hope you enjoy your time and have the opportunity to explore all our county has to offer.

The deep history and cultural landmarks here are unmatched throughout the state of Florida and St. Johns County is truly one of the most unique experiences available to visitors and history enthusiasts alike.

I am honored to be serving in my second term as sheriff, and I remain deeply humbled to have the opportunity to lead this amazing team. The men and women of the St. Johns County Sheriff's Office provide first-class customer service to our community, and I hope you have the opportunity to engage with our amazing staff. Our commitment to keeping citizens and visitors safe remains our top priority as well as ensuring our county is the best place to live, work, play, raise a family, and retire.

I am grateful for the hard work and passion exhibited by FSA staff to make this a successful event once again. The Sawgrass Marriott remains one of our significant community partners and we appreciate their support in hosting this prestigious event. I hope your time here in St. Johns County leaves you eager to return for a future visit. Please contact me if I can be of assistance during your stay.

Sincerely,

Robert A. Hardwick  
Sheriff, St. Johns County

# LETTER FROM THE PRESIDENT

Dear Sheriffs,

On behalf of the Florida Sheriffs Association, Executive Director Matt Dunagan, and our incredible FSA staff, it is my honor to welcome you to the 2026 Florida Sheriffs Association Winter Conference. We are grateful to our host sheriff, St. Johns County Sheriff Rob Hardwick, and to the many partners who have worked tirelessly to make this year's conference possible again.

This conference reflects one of the greatest strengths of our association: the opportunity for Florida's sheriffs, command staff, and professional teams to come together, learn from one another, and strengthen the collective impact of this important work. The training and discussions during the next several days are designed to sharpen our skills, challenge our thinking, and equip us to better serve the people of our counties and the state of Florida.

We are especially grateful to our corporate partners, vendors, and a wide array of presenters who continue to support the mission of public safety and our organizations back home. Their partnership allows us to explore innovative tools, emerging technology, and best practices that support our operational readiness, the wellness of our personnel, and the safety of the communities we are sworn to protect. I encourage you to engage with them, ask questions, and build relationships that will continue long after this conference concludes.

As we navigate complex challenges, including recruitment and retention, mental health and wellness, substance abuse, and the evolving demands of modern policing, it is clear that none of us can meet these responsibilities alone. The strength of the Florida Sheriffs Association has always been found in our willingness to collaborate, to share lessons learned, and to support one another as peers and partners in service.

I am honored to serve as your Florida Sheriffs Association president, and I am grateful for the trust you have consistently placed in our association. Thank you for your commitment to professional development and for investing your time to be here. I look forward to an engaging, productive, and inspiring conference together.

Welcome, and thank you for all that you do for the people of Florida.

Sincerely,

Dennis M. Lemma  
 Sheriff, Seminole County  
 President, Florida Sheriffs Association
